

## PAINTING THE PICTURE!

*Mopane` Leaders Experience Retreat | January 2023*

I couldn't be happier or more appreciative of everything I picked up. The methods that were utilized painted an accurate picture of both myself and my role within the organization in a manner that was both modest and professional. The use of the analogy of baking and the numerous ingredients that went into constructing a picture of the organization as a whole was very intriguing and enthralling. I experienced a connection on both a personal and an organizational level.

I am grateful for the information you provided as well as the time you spent with us. I will never forget this day, and I am grateful that you selected such a beautiful location for us to spend it in. I pray that God will continue to do his work in you.
