My Mopane' Experience!!!

My experience with the Mopané Leadership retreat was life changing, amazing and perfectly achieved. When I received the email from CivSource Africa, it filled me with excitement. The CivSource Africa team kept communicating with us and updating us on what we needed to get ready for the retreat. Preparation came easy to me due to all the support and guidance from the CivSource Africa Team.

Finally, the day came, and we went to the venue. It was a very beautiful, comfortable, and quiet place. I would love to thank CivSource Africa for everything taught to us during the 3-day retreat, for helping me discover myself in terms of what I want to be, what I need to push out of my life and how to heal from past and present pains that hinder my growth and moving forward.

Every lesson and activity was very impactful and fun. The morning exercises were very engaging and captivating because they added positivity to our days, kept us strong, fit and healthy.

During The retreat, I was able to meet very many amazing women that guided me in my line of work, and they continue to follow up on me to date, to make sure am better at whatever am trying to accomplish. The meals were great too and honestly couldn't complain. When I felt sick the CivSource Africa team was there to make sure am fine. Thank you so much CivSource Africa for giving me an opportunity to be part of this wonderful initiative.
